

# ACCELERATED BACHELOR OF ARTS/MASTER OF ARTS IN COMMUNICATION

CSS 5V98 or CSS 5V99	Praxis Practicum Thesis	6
Total Hours		30

**Director of the Accelerated BA/MA in Communication:** Ashley K. Barrett

Students pursuing a Bachelor of Arts degree with a major in Communication may pursue the Master of Arts in Communication as an accelerated degree program on an accelerated track. Students submit a form of interest their junior year. This form allows them to start taking graduate courses during their senior year of their B.A. program. Students typically enroll in 6 graduate hours during the Spring of their senior year. Once students complete all of the undergraduate hours, they formally apply to the Graduate School. After being admitted to the Graduate School, students complete an additional 24 hours of graduate-level work in a "+1" year.

## Admission

Students must meet the following requirements to apply for the program:

- At the time of application, demonstrate a cumulative undergraduate GPA of 3.0 or higher and major GPA of 3.4 or higher<sup>1</sup>
- Prior to enrolling in graduate-level credits, hold senior status (i.e., at least 90 hours completed) and complete 24 CSS hours, earning a C or higher in each CSS course taken<sup>1</sup>

<sup>1</sup> Students may petition for special consideration of exceptions to the GPA standard and hours completed.

Students should consult with the Accelerated Degree Program Director to confirm the application deadline (typically, February 1), required materials, and appropriate timing of actual enrollment into the Master's program. Once enrolled, students must earn a "B" (3.0) or higher in the first 12 hours of graduate coursework to remain in good standing in the program.

## Curriculum

Accelerated degree students fulfill the requirements of all undergraduate CSS majors. The 30-hour MA requirement for the accelerated degree is typically completed during the senior and +1 year. However, students will construct an individual coursework plan with the Graduate Program Director.
