

# JOINT JURIS DOCTOR/ MASTER OF BUSINESS ADMINISTRATION- HEALTHCARE ADMINISTRATION

**Associate Dean of the Law School:** Matt Cordon

**Associate Dean for Graduate Business Programs:** Patsy Norman

Students interested in a career requiring complementary skills in both law and business may complete the JD and MBA in Healthcare Administration degrees concurrently. Law courses substitute for electives in the MBA HCA curriculum described in this catalog, and business courses substitute for twelve quarter hours (one quarter) in the JD curriculum. Completing the combined program effectively "saves" one semester and one quarter of study. Students should consult with advisors in both the Law School and Business School to determine the best sequence of courses.

## Admission

Students must apply and be accepted separately into both programs. Therefore, the GMAT or GRE is required for the MBA application and LSAT exam is required for the Law School application. Additional admissions requirements for the MBA can be found under the Business School Admissions.

## Master of Business Administration Healthcare MBA

Course	Title	Hours
<b>Summer</b>
