

MASTER OF ENGINEERING, M.E.

The Master of Engineering (M.E.) is offered for students who are more practice oriented. This program is ideal for students who have an interest in engineering consulting, product development, or appropriate technology for developing countries.

Admission and Financial Aid

Admission is based on undergraduate academic record, the Graduate Record Examination (GRE), and letters of recommendation for the candidate.

Requirements

Requirement	Hours
Course Work ¹	30

¹ 3 hours may be EGR 5V98 Master's Project course with engineering applications

Courses will be selected in consultation with the student's advisor. Oral examination is not required.
