Definitions of Cancellations, Drops, and University Withdrawals
• Cancellation – Cancelling (removing) all classes prior to the 1st day of classes.
• Drop – Dropping one or more, but not all, classes from a student’s schedule from the 1st day classes through the 50th class day in a semester (or equivalent).
  • Drops from the 1st class day through the 12th class day in a semester (or equivalent) are removed from the student’s transcript.
  • Drops after the 12th class through the 50th class in a semester (or equivalent) will result in a “W” (Withdrawal) notation for the class(es) on the student’s transcript.
• A drop after the 50th class day in a semester (or equivalent) is not allowed except by appeal to the student’s academic dean.
• University Withdrawal – Officially discontinuing all classes for which a student is registered on or after the 1st day of classes through the 50th class day in a semester (or equivalent). A university withdrawal after the 50th class day in a semester (or equivalent) is not allowed except by appeal to latewithdraw@baylor.edu.

Cancellations
Cancellation describes when a student has decided not to attend a semester (or equivalent) and drops all their classes for that semester (or equivalent) prior to the 1st class day. Cancelling classes is not allowed on the 1st day of classes and thereafter. See the “Academic Calendar” section for deadlines. All classes must be cancelled in BearWeb prior to 1st class day. For a quicker reversal of other fees (Parking Permits, Meal Plans, Health Insurance, etc.) and other information about refunds, contact Student Accounts to ensure account activity is correct.

Academic Effects of Cancellations
• Cancelled classes do not appear on the official academic transcript.

Financial Effects of Cancellations
• Requests for the cancellation of related fees and refunds must be made in writing by the student via email inquiry at www.baylor.edu/sfs/contactus (http://www.baylor.edu/sfs/contactus/).
• Cancellation requests must be received prior to the 1st class day of the term. For cancellations, all tuition, fees, and meal plans will be refunded at 100 percent.

• Late cancellation requests received on the 1st class day or after are subject to a late cancellation fee if non-attendance has been verified. ($150 during first week and $300 thereafter).

Dropping Classes
Dropping one or more, but not all, classes from a student’s schedule through the 50th class day of the semester. (To discontinue all classes from the term, see University Withdrawal.) See “Academic Calendar” for deadlines for all terms.

A student has the option to drop a class prior to or during a semester (or equivalent). Prior to dropping a class, a student should review, “Before you Drop a Course.” mesa.web.baylor.edu/current-students/schedule-changes/your-drop-course (https://mesa.web.baylor.edu/current-students/schedule-changes/your-drop-course/)

Academic Effects of Drops
• Through the 50th class day, drops can be processed in BearWeb. Beginning on the 13th class day of the semester (or equivalent), the student must obtain Advisor approval notation to drop in BearWeb.
• A drop through the 12th class day of the semester (or equivalent) results in the course being removed from the official academic transcript.
• From the 13th and through the 50th class day (or equivalent), a drop in one or more classes requires a professional advisor approval and results in a “W” notation on the official academic transcript. There are no drops after the 50th class day during the semesters (or equivalent) except by appeal to the student’s academic dean.
• Failure to drop a class will result in the instructor posting the grade the student has earned at the end of the term (i.e., an “F”).
• Prior to dropping a class, a student is expected to attend class regularly.
• A student dropping a nursing class for any reason will be dropped from all corequisite classes that are linked to the class.

Financial Effects of Drops
• Refunds for dropped classes (tuition and lab/course fees) during the semester (or equivalent) will be processed according to the following refund schedule:

A student cannot withdraw from the university after the 50th class day of a semester (or equivalent). Beginning the 1st class day of each term, a student will not be able to drop all courses from their class schedule on BearWeb, but they will be able to submit a University Withdrawal Form (https://registrar.web.baylor.edu/enrollment-registration/university-withdrawal/).

Academic Effects of a University Withdrawal

- The University Withdrawal effective date is established by the date on which a student submits the mandatory University Withdrawal Form (https://registrar.web.baylor.edu/enrollment-registration/university-withdrawal/) (or in exceptional cases declares their official intent to withdraw to their designated official verbally).
- When a student withdraws from the University, the assigned "W" is based upon the effective date of the University Withdrawal. Please see the "Academic Calendar" section for the respective dates.
- The required University Withdrawal Form (https://registrar.web.baylor.edu/enrollment-registration/university-withdrawal/) and additional information is available online at https://registrar.web.baylor.edu/enrollment-registration/university-withdrawal/).
- Any other procedure will lead to failure in all classes for which the student is registered. Under no circumstances does notification to instructors or dropping classes constitute an official University Withdrawal.

Financial Effects of a University Withdrawal

- If the student fails to submit the University Withdrawal Form or contact the Center for Academic Success and Engagement and simply stops attending, then the following policies apply:
  - Tuition, fees, meal plans and other applicable charges will not be adjusted on the student's account.
  - Financial aid credits, however, may be reversed as required by federal regulations.
  - Refunds of tuition, fees, or other charges are applied to any outstanding balance owed to the University.
  - Any credit balance remaining after all processing is complete will be sent by direct deposit (if bank account is designated in BearWeb) or mailed to the student at his/her home address listed in BearWeb.
  - Refunds of tuition and required fees (Chapel Fee, Laboratory/Course Fees, Administrative Fee and Applied Music Fee) are based on the effective University Withdrawal date and are prorated on a per diem scale based on the total number of calendar days in that payment period.
  - There are no refunds for University Withdrawals that occur after 60 percent of the payment period has passed. A payment period is defined as the total number of calendar days in the semester (from the published 1st class day through the published last day of finals) excluding the five-calendar day Thanksgiving break and the nine-calendar day spring break.
  - To obtain a calendar schedule of refund percentages, please visit the Student Financial Services website www.baylor.edu/sfs/contactus (http://www.baylor.edu/sfs/contactus/) or call 254-710-2311.
  - Unless specifically noted, other fees are considered non-refundable.
  - Unused Dining Dollars are refunded upon University Withdrawal.
  - Meal plan refunds are calculated pro rata based on the University Withdrawal effective date.

An administrative charge equal to one week of the meal charge for the student’s respective meal plan will be assessed.
Withdrawal/Late Withdrawal Exception

A student receiving an approved appeal for an exception to the University Withdrawal deadline must not re-enroll during the subsequent full semester. For example, if the student seeks the withdrawal exception at the end of the spring semester, he or she will not be eligible to return until the following spring semester. The student must apply for reactivation when he or she is prepared to re-enroll. Procedures for reactivation may be found at: https://registrar.web.baylor.edu/enrollment-registration/returning-student-reactivation/, and further detail about returning after a withdrawal exception may be found at: https://registrar.web.baylor.edu/enrollment-registration/returning-student-reactivation/late-withdrawal-exception/.

Return Policy

If the student has met the academic requirements for the term, a grade will be assigned and no tuition refund or credit will be granted.

Board charges are refunded on a pro rata basis on the date of the student’s withdrawal. Room charges are refunded on a pro rata basis based on the date a student officially vacates on-campus housing.

Appeals for Exception to University Withdrawal and Return Policy

Students are not permitted to withdraw after the 50th class day of the semester or the last day for a University Withdrawal in any other term. It is critical that students follow these deadlines. Exceptions to this policy may be granted when extraordinary circumstances (e.g., medical or health emergencies) have impacted academic performance, have limited the ability to submit a timely withdrawal request, or make recording a grade of “Incomplete” inappropriate. Consideration of a subsequent appeal for exception to this policy, regardless of the outcome of the first, would be extraordinarily unlikely. Further information about requesting this exception may be found at: https://registrar.web.baylor.edu/enrollment-registration/university-withdrawal/late-withdrawal-exception/late-withdrawal-exception/). The deadline for submitting a withdrawal exception must be made no later than the day before the next term begins.

A student receiving an approved appeal for an exception to the University Withdrawal deadline may not re-enroll during the subsequent full semester. For example, if the student seeks the withdrawal exception at the end of the spring semester, he or she will not be eligible to return until the following spring semester. The student must apply for reactivation when he or she is prepared to re-enroll. Procedures for reactivation may be found at: https://registrar.web.baylor.edu/enrollment-registration/returning-student-reactivation/, and further detail about returning after a withdrawal exception may be found at: https://registrar.web.baylor.edu/enrollment-registration/returning-student-reactivation/late-withdrawal-exception/.

Dropping an Audited Class

A student who drops an audited class by the fifth (5th) class day (fall/spring) is eligible for a full refund. No refund for an audited class is given after the fifth (5th) class day. Full refunds also apply to a student who drops an audited class by the third (3rd) class day for the full summer session, by the second (2nd) class day for the summer I and II, and the first (1st) class day for the Minimester. No refunds are given after the designated class drop date.

Right to Withhold Transcripts and/or Block Registration

Baylor University may withhold the issuance of a transcript record and/or block the registration of any current or prior student if the student has certain outstanding obligations to the University. Please see https://www.baylor.edu/risk/doc.php/342480.pdf for the complete transcript and registration hold policy.
