the GSA should review the website at [www.baylor.edu/gsa](http://www.baylor.edu/gsa) (<http://www.baylor.edu/gsa/>) or contact the Associate Dean for Student Development (254) 710-4487.

## Leave Policies

Graduate students suffering from a serious medical condition may apply for short-term medical leave from their academic and assistantship responsibilities. See the Short-Term Leave Accommodation (<https://www.baylor.edu/graduate/?id=959190>) webpage for additional information.

Male or female parents with Graduate Assistant status (GA) of a newly born baby or a newly adopted child may apply for a childbirth/adoption accommodation. See the Childbirth & Adoption Accommodation (<https://www.baylor.edu/graduate/?id=959189>) webpage for additional information.

## Health Insurance

Baylor University requires Health Insurance for degree-seeking domestic graduate students under the purview of the Graduate School enrolled in 3 or more credit hours, including DPT, online graduate students, and/or those enrolled in at least one hour of a full-time equivalency course.

International graduate students are required to maintain insurance coverage through Baylor's student health insurance plan. International students will be automatically enrolled in SHIP. If an International graduate student would like to add additional coverage (dental, dependents, etc.), they should contact Lisa Bland. Otherwise, the health insurance enrollment process will be automatic for our international students.

Information about the Baylor University Health Insurance Plan can be found via the Graduate School (<https://www.baylor.edu/graduate/?id=959184>) and the Health Center (<https://www.baylor.edu/healthservices/>) (under the "Insurance" quick link).

## Housing

The Graduate Student Housing Community consists of two Baylor owned apartment complexes: Browning Square and The Quadrangle. Our single bedroom units at Browning Square and two bedroom units at The Quadrangle can accommodate singles, families, children, and pets. The Graduate Student Housing Community provides a quiet, adult residence with a living area suitable to the professional and family lives that are unique to graduate students. The community also serves as a place for scholars and families to gather for social, spiritual, and academic pursuits. To this end, we encourage residents to attend events that provide occasions for the community to come together and share in fellowship, friendship, and ideas.

## Graduate Student Association

The Graduate Student Association (GSA) is an organization concerned with the intellectual and social growth of graduate students at Baylor University. The GSA sponsors activities and programs that facilitate an exchange of ideas, promotion of scholarly development, cultivation of social support systems, and dissemination of other information concerning graduate student life. All students currently enrolled for one or more semester hours of graduate course work toward an advanced degree and with a graduate GPA of 3.0 or greater are automatically members of the GSA.
