

# ANTHROPOLOGY (ENVIRONMENTAL ANTHROPOLOGY), B.A.

or STA 2381 Introductory Statistical Methods  
or STA 3381 Probability and Statistics

**Total Hours** **35-36**

The BA degree in Anthropology with a concentration in Environmental Anthropology is offered for students who have a broad interest in relations between humans and their environments across space and time. Most of the work done in environmental anthropology today takes an applied, problem-centered approach that assumes various interdisciplinary engagements; hence, students are encouraged to take additional coursework in related fields, including but not limited to environmental science, ecology, geology, political science, sociology, law or history.
