

PRE-MAJOR IN MEDICAL HUMANITIES, B.A.

Students interested in Medical Humanities as a major will choose the Pre-Major in Medical Humanities designation upon enrollment at Baylor. To declare a major in Medical Humanities (B.A. Degree), a student must:

- A. Complete a minimum of 45 semester hours, at least 15 of which are completed at Baylor.
- B. Earn a B or better in MH 1331, Introduction to Medical Humanities.
- C. Earn at least a 3.0 cumulative Baylor GPA.
- D. Students must qualify for admission to the major before completing 60 hours (75 hours for transfer students).

After 45 hours, students who have declared a Pre-Major in Medical Humanities major will be notified via e-mail if they qualified to declare Medical Humanities as a major. For those who qualify, the University Advisement Office will be notified. For those who do not qualify, the student's major will be changed to Undecided.
