

ACADEMIC ADVISEMENT

To enhance Baylor's learning environment, the university's undergraduate academic advisors offer services designed to help students formulate academic goals and develop their personal potential. In addition to selecting classes, students work with professional and faculty advisors to review general degree plans and audits, find and develop specific academic plans within a major or program, and achieve personal goals.

To assist students in making important life decisions, advisors and mentors also connect students with departmental and campus resources as well as community and professional opportunities.

Students are assigned to academic advisors by classification, major, and program throughout the undergraduate experience. Advisor assignments are available on each student's BearWeb (<http://www.baylor.edu/BearWeb/>) account under Student Academic Services->Advisement->Advisement Contact Information (<http://www.baylor.edu/advising/>). Any student who needs assistance concerning advising procedures at Baylor should begin by contacting the Office of University Advisement in the Paul L. Foster Success Center (PLFSC) (phone: (254) 710-7280 or email: University_Advisement@baylor.edu). Students in transition from one college or school to another and those considering a program in another college or school should go to University Advisement.

Advising guidelines and resources are available at www.baylor.edu/advising (<http://www.baylor.edu/advising/>).
