Total Hours		124

⁴ Students must complete one of the following options. Students must take a foreign language through second level proficiency. **Or** students must complete one Communications & Media Literacy Course and one Fine Arts Course. Complete list of acceptable courses may be found through the College of Arts & Sciences Core Curriculum website, or by consulting your Degree Audit.

⁵ Course must cover entire life span.

⁶ Must be course equivalent to HIS 1300 The United States in Global Perspective, HIS 1305 World History to 1500, HIS 1307 World History since 1500, HIS 1365 United States History to 1877 or HIS 1366 United States History since 1877. Note: HIS 1300 The United States in Global Perspective is preferred.

⁷ The choices of literature include ENG 2301 British Literature and ENG 2306 World Literature.

⁸ BIO Requirements are the BIO 2401 Human Anatomy and Physiology of Motion and Innervation, BIO 2402 Human Anatomy and Physiology of Metabolism and Processing, and BIO 1302 Introductory Microbiology/BIO 1102 Introductory Microbiology Laboratory courses. These will be assigned by your advisor to ensure all students are able to complete the sequence in a timely fashion. If students do not register as assigned, they may be dropped from the courses and placed into the assigned course that may not be the original class day or time.

¹ Students are responsible for completion of approved general education courses in the regular semester prior to beginning classes at the School of Nursing. In other words, completion of pre-requisite classes for students beginning nursing courses in the fall semester must be completed in the spring prior to beginning classes or during the fall semester for January entry into the nursing program.

² ENG 1302 Thinking and Writing will be accepted as dual credit or transfer credit only. BU Freshmen will take ENG 1310 Writing and Academic Inquiry Seminars and ENG 2310 American Literary Cultures.

³ May be in a discipline other than mathematics if the course is judged as equivalent to STA 1380 Elementary Statistics at Baylor.
