

FAMILY AND CONSUMER SCIENCES

Dr. Nicole McAninch, Division Leader

The Family and Consumer Sciences degree program provides an in-depth study of issues that affect individuals, families, and communities in a global society. Students in this major are equipped to work with diverse populations around basic needs of food, shelter, clothing, and relationships. Graduates from the Family & Consumer Sciences program often find career opportunities in government agencies, fashion retail, schools, restaurants, community centers, churches, childcare centers, or social service organizations, among others.
