## Degree Requirements

### Bachelor's Degrees

Teacher certification programs are available through several undergraduate degree programs conferred by the different colleges and schools of the University. Requirements for teacher certification concerning the various programs listed below are available in the Office of Professional Practice.

#### I. Bachelor of Science in Education (B.S. in Education) Degree

The B.S. in Education degree is conferred by the School of Education. Both certification and non-certification programs are available with this degree.

### General Studies Requirements for Certification Programs

The School of Education offers two routes to complete the general studies requirements for each certification program. They are as follow:

1. Traditional Core
2. Baylor Interdisciplinary Core (BIC)

If a student wishes to pursue the BIC core, after receiving acceptance to Baylor University, students may apply for the BIC program. An application may be printed from the website. The application and essay should be mailed to the address listed below, or you may complete an application, including the required essay, on-line.

Baylor Interdisciplinary Core  
One Bear Place #97350  
Waco, Texas 76798-7350

Phone: 254-710-3981
