

DATA SCIENCE MINOR

Requirements for a Minor in Data Science

Code	Title	Hours
Required Courses		
Twenty semesters hours in computer science and data science including the following:		
CSI 1401	Introduction to Programming I	4
CSI 1402	Introduction to Programming II	4
CSI 2300	Introduction to Data Science	3
Select nine semester hours from the following "3000" - "4000" level courses:		9
DSC 3310	Cloud Computing	
DSC 3334	Algorithms and Data Structures	
DSC 3335	Database Design and Applications for Data Science	
DSC 3344	Analytics for Machine Learning	
DSC 4310	Machine Learning	
DSC 4320	Data Visualization	
A grade of "C" or better in all courses used for the minor.		
Total Hours		20
