SCHOOL OF MUSIC

General Information
The School of Music
As a vital professional school within Baylor University, the School of Music has been a member in good standing of the National Association of Schools of Music since 1930. Degrees offered in the School of Music satisfy all requirements of this accrediting agency. Degree programs leading to the Bachelor of Music Education degree also conform to certification requirements of the Texas Education Agency.

Regulations and requirements not specifically described in this section will be governed by University rules listed elsewhere in this catalog.

Our Mission
The Baylor University School of Music provides transformational experiences that prepare students for careers in music. Our students thrive in a Christian environment characterized by a nurturing resident faculty, an unwavering pursuit of musical excellence, a global perspective, dedication to service, and devotion to faith. They investigate the rich musical and cultural heritage of the past, develop superior musical skills and knowledge in the present, and explore and create new modes of musical expression for the future. While preparing for future leadership roles, our students join with the School of Music faculty in enhancing the quality of community life, enriching the larger culture, and making Baylor a place in which heart, mind, and soul coalesce.

Buildings and Equipment
The School of Music currently is housed in two facilities, the Waco Hall complex and the Glennis McCravy Music Building. The Waco Hall complex contains 500-seat Roxy Grove Hall, 120-seat Recital Hall II, as well as classroom, rehearsal, practice, and storage spaces. The Waco Hall complex also includes office and studio spaces for vocal and keyboard studies, music history, music theory, music education, composition, church music, and a suite devoted to piano pedagogy.

Housed within the multi-level 70,000 square-foot Glennis McCravy Music Building is the 1,000-seat Mary Gibbs Jones Concert Hall, the 200-seat Meadows Lecture/Recital Hall, and an organ teaching and performing hall. The building features seventy-eight practice and rehearsal rooms, a recording studio, technology lab, choral and instrumental rehearsal halls, special areas for chamber music and seminars, instrumental and choral music libraries, and studio and office spaces for the division of instrumental studies and ensemble directors.

Baylor University has one of the largest collections of organs in the country, six instruments for performance and teaching and numerous practice organs. The School of Music maintains an inventory of over 200 pianos including six Steinway concert grands and two electronic keyboard labs. A large variety of instruments for the study and performance of Renaissance and Baroque music, as well as electronic music laboratories, provide for a wide range of musical experiences.

Fine Arts Library
The Crouch Fine Arts Library (CFAL), located on Level 3 of Moody Memorial Library building, provides outstanding collections for music study and research, including more than 116,000 music scores, 75,000 audio and visual recordings, and 54,000 fine arts books. The library also provides a wide variety of online resources to support music study, performance, and research. These include research databases for music literature as well as reference works, e-books, music scores, audio and video recordings, and archival collections. Listening/viewing stations are available for all media types found in the Library, and a 12-station computer lab provides music software and MIDI keyboards as well as productivity applications. The CFAL has a variety of study spaces for individuals and groups, and two seminar rooms equipped with pianos, computers, projectors, Internet access, and high-quality speakers. Staff members are available to assist students and faculty members. More information is available from the CFAL website at http://www.baylor.edu/library/finearts (http://www.baylor.edu/library/finearts/).

Artist Attractions
Each year, large numbers of professional artists perform and teach in the School of Music and serve as role models and mentors for students. The School of Music also presents visiting musicians of distinction as part of the Distinguished Artist Series (DAS) and the Lyceum Series. The DAS is a premier concert series funded by Baylor University. The Lyceum Series offers lectures, master classes, and workshops by outstanding artist teachers and is supported, in part, by a grant from the Meadows Foundation, Inc., of Dallas. Other special events include the Hearn Innovators in Christian Music Series and the Northcutt Lectures in Church Music and the Joy Vee Davis Lecture Series in Music Education.

Music Societies and Clubs
The following national groups have chapters in the School of Music: Mu Phi Epsilon, national music fraternity; Phi Mu Alpha Sinfonia, national professional music fraternity; Kappa Kappa Psi, national honorary band fraternity; Tau Beta Sigma, national honorary band sorority, and Pi Kappa Lambda, national music honor society. There are student chapters of the Music Educators National Conference and the Music Teachers National Association, and the Baylor Association of Church Musicians.

Center for Christian Music Studies
Established in 1984 as the Institute for Church Music and Worship, the Center for Christian Music Studies is an integral part of the School of Music. The Center strives to prepare Christians to serve and worship God through music and the arts.

Performing Ensembles
The School of Music offers a full array of bands, choirs, orchestras, and smaller ensembles, such as jazz and early music ensembles. Any Baylor student in any major may audition for and perform in one of these ensembles and, in doing so, can experience one of the joyous experiences in Baylor campus life. To participate, students should contact the School of Music or the office of the ensemble of interest.

Entrance Requirements in Music
In addition to admission to the University, an applicant for any music major must apply to the School of Music and audition on their principal instrument for acceptance in the school. Please note, the music application is separate from the Baylor University application. Students accepted as music majors are notified by the Office of the Dean. Detailed information about audition expectations and repertoire are available on the School of Music website. Applicants for a major in church music, music history and literature, music theory, or composition must, additionally, be approved by the faculty of that program. Students who wish to major in music history and literature or music theory are required to submit a sample of their research or writing.
Tests
Candidates applying for entrance into any applied music or music theory class must give evidence of being prepared for the work therein, as demonstrated by placement tests.

Placement Tests – Piano
In addition to admissions auditions in their applied major, all freshmen and transfer students entering a music degree program will take a piano placement test prior to initial enrollment in a piano course. At the placement, each student’s level of competency (in repertoire, technique, reading, and skill activities) will be assessed, and the student will be placed at the appropriate level within the curriculum. Students with preexisting keyboard skills may test out of one or more semesters of piano instruction.

Placement Tests – Theory and Musicianship
An entrance test in music theory to determine the student’s background and readiness for admission to Music Theory I and either Introductory Musicianship or Musicianship I is given prior to initial enrollment in a theory course. Transfer students must take a transfer theory diagnostic exam prior to enrollment in a theory course.

Achievement Tests – Applied Music Juries
All students taking applied music for credit toward a music degree must take an achievement test in applied music at the end of each semester.

Barrier Placement Juries – Applied Music
Students may register for upper division courses in applied music only after successfully completing the sophomore barrier placement jury.

Credit in Applied Music
Majors in all applied music areas except keyboard will receive two semester hours credit for an hour of instruction at the lower division (freshman-sophomore) level, and two to four hours at the upper division and graduate levels. Piano and organ majors will receive three or four semester hours credit for an hour of instruction throughout their entire degree programs. All other students will receive one semester hour credit per half-hour lesson. The maximum amount of credit that can be earned in one applied music subject in any one semester is four semester hours. No student may be registered for more than one section of a given applied music subject in a semester.

In a summer-session term, five hours of private instruction are given for one hour of credit, and ten hours of instruction are given for two hours of credit. The maximum credit that can be earned in a summer term in one subject of applied music is two semester hours. The maximum total applied music credit that can be earned in one summer session term is three semester hours. Applied music courses are only open in summer sessions to B.M., B.M.Ed., or B.A. Music-Applied students in their primary applied concentration with the approval of the Associate Dean for Academic Affairs.

Applied Music Credit on Non-Music Degrees
A maximum of ten semester hours of applied music and/or ensemble is accepted on the Bachelor of Arts, Bachelor of Science, and Bachelor of Business Administration degrees as elective credit.

Transfer Credit
Credit in music courses earned in accredited institutions is accepted for transfer subject to the following provisions:

1. The minimum grade accepted for transfer is “C.”
2. Credit in applied music toward a major in applied music is accepted only after a test to determine the actual accomplishment of the student in technique and repertoire.

Course Numbers for Applied Music

Student Load

The maximum credit load for an average student seeking the degree of

Bachelor of Music or Bachelor of Music Education is nineteen semester

hours. The maximum load for an entering freshman is sixteen semester

hours. Superior students (who average the grade of "B" on all previous

work as well as on the work of the preceding term) may carry up to

twenty-two semester hours with the approval of the Associate Dean for

Academic Affairs.

Recitals

Junior and Senior Recitals

A senior recital is required of every degree candidate in applied music. It

must be completed no later than two weeks before commencement. A

junior recital is required of every prospective graduate in applied music as

prerequisite for senior work. Junior or senior recitals may be given only

by students of junior or senior standing (sixty or ninety semester hours,

respectively).

All B.M.E. candidates are required to give a public solo performance
demonstrating their ability in their applied major. A hearing must be

passed prior to the performance. The performance must be a half-recital
to be given in a formal recital setting.

The student must be enrolled for applied music during the term in which

the recitals are given.

All composition majors will present a recital of their works while enrolled

in MUS 40C1 Degree Recital - Composition.

Recital Attendance

All B.M., B.M.E., and B.A. Music majors must successfully complete

six semesters of MUS 1001 Recital Attendance (0 hours credit, graded

Pass/Fail). MUS 1001 Recital Attendance requirements for secondary

music majors and music minors are listed in the sections outlining

the requirements for that program. Specific regulations concerning

satisfaction of the MUS 1001 Recital Attendance requirement may be

found in the course syllabus.

Ensembles

All students pursuing a B.M. or B.M.E. degree must be enrolled in a large

ensemble every semester of residence, except for the student teaching

semester for B.M.E. students. Large ensembles include: Instrumental –

Baylor Symphony, Campus Orchestra, Wind Ensemble, Symphonic Band,

Concert Band, and Marching Band; Vocal – A Cappella Choir, Concert

Choir, Chamber Singers, Bella Voce, Men's Choir, and Women's Choir.

Upon completion of two semesters of large ensemble participation,

ensemble requirements for Keyboard majors may be fulfilled by Studio

Accompanying, Chamber Music, and Piano Ensemble. See individual

keyboard degree programs for details.

Course Repetition Policy

Students enrolled in music degrees (B.M., B.M.E., B.A. Music) may not

repeat a course in the Music Core or in their major after receiving a grade

of F in that course for the second time.

Class Attendance Policy

School of Music policy requires that to earn credit in a course a student

must be officially enrolled by the end of the second full week of the

semester and attend at least 75% of all class meetings. Faculty members

may establish additional attendance requirements as outlined in course

syllabi. Any student who is not present for at least 75% of the scheduled

class sessions for any course will automatically receive a grade of "F" in

the course. Any University-related activity necessitating an absence from

class will count as an absence when determining whether a student has

attended the required 75% of class meetings.

Honors Program

School of Music students participate in many of the programs offered

by the Honors Program within the Baylor Honors College. For detailed

information concerning these opportunities, consult the Honors College

section of this catalog.

Special Music Scholarships

Numerous music scholarships are awarded annually to music majors.

These are in addition to any financial aid a student may receive from

the University through the Student Financial Aid Office. Qualifying

for a music scholarship is by the audition process. Scholarships are

awarded for one academic year (unless otherwise specified) and are

renewable contingent upon sustaining a satisfactory grade point

average, enrollment as a fulltime student in the School of Music, and

other participation expectations and requirements. Students are

recommended for scholarships to the Office of the Dean by the School of

Music Scholarship Committee each year. Detailed information about the

audition process and for receiving music scholarships may be found in

the Student Handbook on the School of Music website.

Degree Programs

The School of Music offers the following bachelor's degree programs:

Bachelor of Music Degree

This is typically a four-year degree program leading to the Bachelor of Music degree with majors in performance, church music, history and literature, piano pedagogy, music theory, and composition. The Bachelor of Music is a professional degree.

- Performance - Woodwinds, B.M. (https://catalog.baylor.edu/undergraduate/school-music/bachelor-music/applied-music-woodwinds/)
that emphasize either applied music, academic studies or church music.

The Bachelor of Arts degree with a major in music is offered through the College of Arts & Sciences. In this degree, students may pursue studies in:

- Bachelor of Arts in Music

The Secondary Major in Instrumental Performance or Keyboard Performance

This program allows advanced instrumental players to continue their interest in music performance while pursuing another academic career path. The secondary major is differentiated from a music major in that academic music requirements are reduced while retaining private instruction, participation in ensembles and chamber music, and a recital in the senior year. Upon graduation, a student earns one baccalaureate degree in an area other than music. Although not awarded a second degree in music, the student’s transcript will reflect that he or she has earned a Secondary Major in Instrumental or Keyboard Performance.

- Instrumental Music Performance - Secondary Major
- Keyboard Music Performance - Secondary Major

Minoring in Music

Any undergraduate student at Baylor University, in any major other than music, may elect to minor in music by completing at least 21 semester hours as outlined in the Minor of Music section of this catalog. The minor is designed to broaden the educational experience of students by providing a variety of musical experiences. No admission audition is required for the music minor.
