

OFFICE OF UNDERGRADUATE SUCCESS

The Office of Undergraduate Success, a division within the Success Center, operates under the leadership of the Associate Vice Provost for Undergraduate Success within the Vice Provost for Undergraduate Education and Academic Affairs. The office provides oversight for undeclared students in exploratory status, those engaged in Pre-College programs, and participants in the Pre-Law program. Committed to advancing the university's student success initiatives, the office collaborates with academic advising units, Undergraduate Admissions, and the Faculty-in-Residence Council, while also conducting research on student success.
