

Baylor Bachelor of Science in Aviation Sciences (BSA) Degree TSTC 2019 – 2020 Cost Estimate

2019 – 2020 BAYLOR COSTS			
Annual Tuition Fees Per Academic Year (Full-Time)		Full-Time Student Estimate for Four Years	
Tuition & Required Fees	\$47,644	\$190,576	Total \$242,544
On-Campus Room & Board Estimate	\$12,992	\$51,968	

* Personal expenses, transportation, and books and supplies are not included and additional costs and fees may apply - please see Baylor's Student Financial Services website at www.Baylor.edu/sfs for more information.

** Baylor calculates tuition/fees at a flat rate per academic year (fall and spring) for students taking 12 hours or more (full-time) per semester.

*** Room and Board cost is an estimate that includes an on-campus double room and the cost of the Everyday All Access per week meal plan with 50 dining dollars. Other housing and meal options are available.

Total Flight Training Estimate for Rotary Wing Aircraft									\$149,563	\$150,843
Aircraft Dispatch Course Fees										
15 Required Credit Hours								Additional Fees	In-State	Out-of-State
								\$0	\$2,730	\$4,905

*TSTC flight and tuition expenses are factored into the student's total cost of attendance for the purpose of calculating financial need at Baylor. **Approximately 90% of students attending Baylor qualify for merit or need based scholarships, grants, student loans, and/or part-time student employment, but it is incumbent upon the student to search and apply for them. Many aviation related scholarships and grants are listed on our website at www.Baylor.edu/aviation.

***Posted TSTC flight course costs are based on the estimated hours to complete each course. Included are costs for tuition & fees by credit hour, plane usage, fuel expenses, flight instruction, ground instruction, FAA Knowledge Test, FAA Examiner Fee, required number of check rides, flight simulator use, plus a 5% buffer to allow for variance.

****All unused flight account funds are fully reimbursed.

*****Costs may vary depending on student's individual progress, type of aircraft used, and additional courses taken at TSTC. Rotary wing ground school courses are not available at Baylor and therefore will incur additional expense.
